

## **Additional Legal Requirements Involving Equipment**

---

### **RESPONSIBILITY FOR EQUIPMENT UNDER H.A.S.A.W.A., AND PROVISION AND USE OF WORK EQUIPMENT REGULATIONS 1996 (P.U.W.E.R.96)**

Under P.U.W.E.R. the duty holder is required to not only supply suitable equipment & maintain it, to provide training & instruction, but also to inspect work equipment where significant risk from incorrect installation, relocation or deterioration could occur.

### **RESPONSIBILITY FOR LIFTING EQUIPMENT UNDER H.A.S.A.W.A. (L.O.L.E.R.)**

Under L.O.L.E.R. the duty holder is required to ensure that lifting equipment:

- has adequate strength & stability for its proposed use.
- is positioned & installed to minimise risks.
- is marked to indicate its safe working load.
